EDUCATION

- Software Development
- Masai School
- August 2024 - March 2025
- Diploma in Computer Science Engineering
- Mehr Chand Polytechnic College
- September 2021 - June 2024

TECHNICAL SKILLS

Node.js | CSS3 | HTML5 | React | JavaScript

INTERESTS

- Volunteering
- Coding

CERTIFICATIONS

- Training Certificate CS Soft Solutions
- Inno-Tech Pushpa Gujral Science City

Manya Mehta

Full Stack Web Developer

PROFESSIONAL SUMMARY

Accomplished Full-Stack Web Developer proficient in the MERN stack, with expertise in creating dynamic web applications using React.js, Node.js, and MongoDB. Exceptional problem-solving skills and adept at leveraging Generative AI to enhance user experiences. Rapid learner of new technologies and collaborative team player.

PROJECTS

1. Census of India | 🌐

JavaScript | React | HTML5 | CSS3 |

Responsive Web Design

- Developed a responsive web application using React for demographic data visualization.
- Utilized HTML5 and CSS3 to create a user-friendly interface and promote seamless user experiences.
- Integrated various data sources and APIs to provide real-time demographic updates.
- Implemented efficient state management to enhance application performance and scalability.

2. Bakery Website | 🌐

JavaScript | HTML5 | CSS3 | RESTful APIs | React

- Created a dynamic and interactive website for a local bakery using JavaScript and React.
- Designed RESTful APIs to facilitate communication between frontend and backend components.
- Employed HTML5 and CSS3 for responsive design, ensuring accessibility across devices.
- Incorporated MongoDB to store and manage user data effectively.

3. Quiz App | 🌐 | 🌐

- Developed a full-stack web application using the MERN stack, featuring an interactive React.js frontend and Node.js/Express.js backend.
- Designed and implemented RESTful APIs to handle quiz data and user interactions, ensuring efficient communication between the client and server.
- Utilized MongoDB for data storage, creating optimized database models and queries to manage quiz-related data effectively.
- Ensured seamless integration and data flow between the frontend and backend components, resulting in a cohesive user experience.
- Conducted comprehensive testing and debugging to ensure the reliability and stability of the application, enhancing overall performance.
